At The Lafayette Rehabilitation and Skilled Nursing Facility, located in scenic Marblehead, MA, we blend expert medical care with a family-centered approach.

# Who We Are

Since 1957, our 47-bed, not-for-profit, JCAHO-accredited facility has been serving families across Marblehead and the North Shore. The best rehabilitative care is a combination of expert clinical skills and a caring, dedicated staff, and here we take that statement one step further.

With decades of experience, we understand every resident's unique needs. That's why we create a supportive, engaging, and comfortable home where every resident receives personalized care and the respect they deserve.

# Amenities

To ensure optimal comfort and a positive patient experience, we offer an array of amenities including:

- Inviting lounges and activity areas
- Fine dining with steam table and menu selection
- Complementary TV and Wi-fi
- Laundry service and housekeeping
- Beauty and Barber services
- Engaging activities to support each resident
- Back patio and garden

Our team treats a variety of conditions including:

- Post-stroke recovery
- Hip fracture/replacement
- Knee or other joint replacement
- Neurological illnesses
- Cardiac or respiratory ailments
- Post acute COPD episode
- Post ventilator/tracheotomy care
- Post open heart surgery (grafts, valves, stents)

# How We Can Help

## Long-Term Care

For those requiring ongoing care, our skilled nursing team provides consistent, high-quality support in a respectful and home-like setting. We offer 24 hour nursing care centered on each resident's personal needs.

## Rehabilitation Services

Whether recovering from surgery or looking to regain strength, our rehab services are tailored for every resident's path back to wellness. Physical, Occupational, and Speech Therapy services are offered up to 6 days a week.
